In announcing the formation of the Board of Advisors, Melissa A. Henderson, founder, president and CEO of Summit Executive Resources, stated, “The individuals making up the firm’s Board of Advisors have decades of combined experience working with the demand side of our business - growth equity and private equity. Each of the advisors brings a deep understanding of the value of our business model for venture capital and private equity sponsors and we are delighted to be working with all of these accomplished professionals.”

Tom Soha, Summit’s Managing Director stated, “Today’s VC’s and private equity firms are increasingly challenged with finding the best executives and strategic advisors for their portfolio companies, which they expect to drive returns to the levels expected by their investors. Our new Board of Advisors will offer great value to Summit as we assist fund sponsors with the vital human capital needs of their portfolio companies.”

Ms. Henderson continued, “Summit Executive Resources is honored to work with this Board of Advisors to counsel the principals on scaling and growing the firm in the

executive agent space. We look forward to the strategic guidance they will provide to Summit as we fulfill the market's needs for premier C-Suite leadership and independent directors at private equity and venture capital portfolio companies.”

About Summit Executive Resources

Founded in 2009, Summit Executive Resources is the nation's premier executive agent for corporate leaders. Summit Executive Resources is the only firm of its kind to provide hands-on search execution as agents for the high impact individual executive. Summit matches individual key C-suite executives with critical C-level positions and independent directorships across industries and geographies with a specific focus on venture capital and private equity backed businesses. Summit's extensive network of clients and private fund relationships allow executives and fund sponsors fulfill their C-suite and directorship needs in the most timely and cost effective manner.
